Printing Machinery & Material supplier | Professional Training & Consultancy

Soft Cover, Hard Cover and Luxury Rigid Box Solutions Provider

Case maker for book, calendar table support, ordner, and luxury rigid box

Available speed : DA 260 & DA 290 (40 cycles/min), DA 270 (65 cycles/min), and DA 280 (100 cycles/min).

Conventional & Digital Solutions for perfect binding machine

Available speed range from: 2.000 to 20.000 books/hour.

Conventional & Digital Solutions for hard cover book

Available speed : BF 513 (1.800 cycles/hour), and BF 530 (4.200 cycles/hour).

MECCANOTECNICA
BOOK FINISHING SOLUTIONS

Book Your Future

Aster Stand Alone Sewing Machine Machine :

Aster EL : 10.000 cycles/ hour
Aster EVO : 12.000 cycles/hour
Aster Top : 18.000 cycles/hour *

* fastest sewing machine in the world

Digital Sheet feed and Web feed tread sewing solutions for digital printing applications

Aster Universe sheet feed and web feed

In line tread sewing machine for high efficiency and high output

Aster Uniplex
Aster Multiplex

We Love Folding. We Love Finishing

Full Buckle Folding Machine

Size range : 46 x 66 cm to 102 x 154 cm
Speed range : 10 to 275 meters/minute

Kombi Folding Machine

Size range : 53 x 84 cm to 142 x 205 cm
Speed range : 10 to 275 meters/minute

Miniature Folding Machine

For pharma, etiket, small brochure, etc.
Herzog + Heymann KI 112

Optimisation of the cutting process

Cutting, Punching & Paper Handling Machine

Cutting width 80, 92, 115, 132 cm

Grafisk Maskinfabrik

LABEL CONVERTING MACHINE

- Rotary & Semi Rotary Conventional and Laser Converting Machine
- Screen, Hot stamping Machine
- Semi Rotary & Flatbed Covering Machine

The Art of Finishing

Digital UV and Full Surface UV Varnishing /Coating Machine

Type 76 : 76 x 76 cm
Type 108 : 108 x 76 cm
Max. speed : 12.000 sheet/hour

SWISS BRILLIANCE IN COATING

The Swiss specialist manufacturer of high-quality and safe coatings and laminating adhesives.

WESSCO® UV-curing coatings and adhesives
GALACRYL® water-based coatings.

Create Added value - KEY POINT- of Printing Rifinement

Direct. Dedicated. Digital

Digital Label Printing Solutions

Web width : 250 mm, 330 mm & 512 mm
